

# IN THE MICHIGAN COURT OF APPEALS

## ORDER

Re: **People of MI v Christopher Cobb**  
Docket No. **278973**  
L.C. No. **05-011055**

William C. Whitbeck, Chief Judge, acting under MCR 7.203(F)(1) and 7.216(A)(10),  
orders:

The delayed application for leave to appeal filed June 25, 2007, is DISMISSED for lack of jurisdiction because the application was not filed within 12 months of the judgment of sentence as required by MCR 7.205(F)(3), and appellant did not satisfy MCR 7.205(F)(4). In particular, the application for leave to appeal was not filed within 21 days of denial of the postjudgment motion. The register of actions has an entry date of May 31, 2007. The fact that the order may have been sent a few days after entry does not start the time period for the filing of the application when the order was sent.
